ASB is selling children's photos online

In order to encourage children to express their thoughts about the world they live in and to improve their every day living, the Office of the Arbeiter-Samariter-Bund (ASB) in the Republic of Croatia organised a photo contest "With Open Eyes" in November 2003 in the war-affected areas in Croatia, which was carried out through the elementary schools and high schools, while pre-school children participated in the same contest through singing.

At the end of November 2003, the winning photos were selected and exhibited at the "Bogdan Ogrizovic" library in Zagreb from 19-24 December 2003. On 19 December 2003, the prizes were presented to the winning children in the presence of their parents and teachers. This contest was enabled by donations of sponsors, support of the local authorities in the municipalities and help of kindergarten and schoolteachers.

In order to further support the children in the war-affected areas, ASB is selling the children's photos online. The funds collected from the sales of the photos, will be used by the Croatian Samaritans organisation "Samaritanci" which will continue supporting children, especially those with special needs, to improve their standards of living and educational conditions.

Therefore, ASB Office would like to invite you to participate in this online sale. Twenty photos taken by children aged 7 to 14 are displayed on our online-gallery (www.asb-ec.hr/online_sale.htm).
